Got dependencies in `worker_getx`.
Wrote 131 files.

All done!
You can find general documentation for Flutter at: https://docs.flutter.dev/
Detailed API documentation is available at: https://api.flutter.dev/
If you prefer video documentation, consider: https://www.youtube.com/c/flutterdev

In order to run your application, type:

  $ cd worker_getx
  $ flutter run

Your application code is in worker_getx\lib\main.dart.
```
